

The Federal Communications Commission

Dear The Federal Communications Commission,

I do not want to pay more for my telephone service! I urge you to reject a flat fee proposal that would change how contributions are made to the Universal Service Fund. I am concerned that this proposal could make my current service unaffordable. It is the only way I can keep in contact to pick up my children from school/sport activities etc... I can barely afford to pay now!!!!!!!!!!!!!!

Sincerely,

Rebekah Schafer
